

## Analyzing a Portrait

**Study the photograph for 2 minutes. Form an overall impression of the person.**

1. Give two adjectives to describe this person. (Please avoid references to age.)
2. How old do think this person is?
3. What is the person wearing? What does that tell us about them?
4. List three conclusions you can come to about this person.
  - a)
  - b)
  - c)
5. Write your own caption to the photograph.
6. Write down two questions you want answered about this person.
  - a)
  - b)
